Ideal with chest freezer underneath

Digital thermostat

2-door wall top freezer on legs

The compact MTF Mini wall freezer on legs is ideal for optimizing store space and is a great choice for retail stores to keep products at the correct temperature and in sightline of customers. With an LED illuminated canopy, the top case freezer is ideal for applying branding to, creating a stunning display that will be sure to attract the attention of customers.

The wall freezer features static cooling, LED lighting, and heated self-closing glass doors for energy efficiency and visual appeal. The shelves are adjustable and come with ticket strips and acrylic risers. The MTF Mini is designed to be used in combination with our NIC401SCEB chest display freezer. With its small footprint and sleek design, the MTF Mini wall freezer is a space-saving and stylish addition to any retail space.
