- Accepts GN1/1 pan(s) (not supplied)
- Easy access storage compartment
- Black exterior
- Ventilated cooling
- Automatic defrost
- LED interior light

Designed for GN1/1 pans, not supplied

Thermometer

### Ventilated serve over counter with gastronorm dimensions

Meet the SPID serve over counter - the ultimate cool solution for your food display needs. This stylish counter has an effective ventilated cooling system, which circulates cool air evenly throughout the cabinet. It is designed to keep your products at the ideal temperature while offering easy access.

A visual and functional delight, it's perfect for sandwich shops, delis, and supermarkets to exhibit their offerings enticingly. It has a flat glass structure for good hygiene and the front glass hinges forward for easy cleaning. The serve over counter is suitable for gastronorm pans (not included).
