Product Features

- Great value-for-money range
- Stainless steel
- Automatic defrost
- Self-closing doors
- Removable table top with splashback
- Adjustable legs
- Ventilated cooling

Adjustable shelves

Drawers available as separate kit

Gastro counter cooler in stainless steel

Our value-for-money G-line counter coolers are a great help in professional kitchens. The cupboards have GN1/1 dimensions and accept gastronorm pans. The stainless steel makes the counter durable, and it can withstand the use in a busy catering environment. The adjustable legs make it easier to clean beneath the counter cooler. If needed, the counter can be combined with a topping unit/vitrine cooler. Freezer option available.
